

**Guys-N-Dolls, your team
must match wits to
complete a major
construction project!**

Doug Stanearth
President and CEO

THE LEADERS INSTITUTE®

The *Guys-N-Dolls Team Building Workshop®* and charity event is a brainy, challenging, program where your group is divided into teams to solve specific challenges in order to build doll houses for young children who have terminal illnesses. This is the original **dollhouse team building event!**

Each team is given puzzles to solve, codes to decipher, and secrets to unlock in order to acquire the resources needed (part by part) to build their dollhouses. Challenges are discovered along the way that must be overcome in order to accomplish their goal.

The **Guys-N-Dolls Team Building Workshop®** is a fun and Exciting Event that will make your next Team Meeting or Staff Function an Absolute Blast!

During the event, you'll engage both your minds and your bodies in solving the puzzles of teamwork.

We'll cover ways to:

- Brainstorm.
- Problem-solve.
- Communicate better as a team.
- Identify strengths of individual team members.
- Collaborate better as a team.
- Realize that departments and individuals within a company can't act independently. When the team works together, they accomplish a lot more.
- And have tons of fun in the process!

This workshop is designed to be 3 hours* long, but can be tailored to fit specific time frames. * 2 hour versions are also available for a slight discount.

Philanthropic Twist:

At the conclusion of the event, the dollhouses that were created and multiple gift bags are given to a local charity in your community. Our preferred charities are the Ronald McDonald House and Make-A-Wish charities, however we can make your favorite charity the recipient on request.

This is truly a one-of-a-kind event!
