The Leader's Institute offers 1/2-day custom team building programs led by professional comedians and instructors. All instructors for these programs come from the world-famous Groundlings Theater in Los Angeles. When you hire this team to come out to your location or convention, there's a good chance you'll catch a rising star, someone who may show up soon on "Saturday Night Live"... In fact, the theater has become a virtual breeding ground for SNL and "Mad TV" performers.

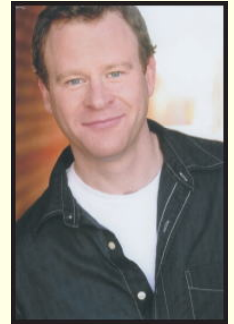

The Team is led by actor Larry Dorf and comedian Steve Mallory.

Larry Dorf has guest starred on *King of Queens*, *The X-Files*, *3rd Rock From the Sun*, and *Desperate Housewives*. He also had a recurring role on *Malcolm in the Middle*, and can be seen in the upcoming film, *Fun With Dick and Jane* opposite Jim Carrey. Larry just wrapped shooting an improvised television pilot in which he starred with Jason Alexander.

Steve Mallory has guest starred on a number of Comedy Central' shows. Steve has starred in Spike TV's *The Joe Schmo Show*, playing Ernie Gallo, heir to a wine fortune and also starred in VH1's *BSTV*, a modern update on Candid Camera. Steve has also written, directed and acted in the film, *Polk Valley* currently in final production.

"Your team developed the best type of training I've ever attended and the feedback I'm getting is overwhelmingly positive. Your professionalism and attention to detail assured that everyone really opened up their creative thinking, and came together as a team. We couldn't have asked for a more valuable training experience." --**Brett Colson-Dir. of Communications, City of Anaheim**

"You guys knocked it out of the park for us! It was just great. Thanks for all you did to craft the agenda and make it such a hit." --**Jay Dogburt, Hilton Hotels**
