## The *Creating a Team Culture Workshops*, Lets Your Group Conduct Solid Team Building Workshops in Component Parts.

### SAMPLE #1: Creating a Team Culture

Our expert instructors use **active participation** to make the information memorable and *to make sessions fun* because people learn by doing – not by hearing, and we learn more when we are having fun!

- *What makes a Good Team?*
- Tapping Untapped Potential: Improve Your Memory Ten-Fold in Minutes!
- Building a Culture of Trust & Respect
- Improve Listening and Avoid Miscommunication

### SAMPLE #2: Gaining Consensus

This workshop focuses on reducing barriers between coworkers to avoid and resolve conflicts and solve challenging problems by gaining consensus among the group.

- *What Makes a Good Team?*
- 7 Ways to Deal with Difficult People
- Ethical Conflict Resolution
- Problem-Solving made Easy

*Since all events are composed of modules, each can easily be tailored for your group and adjusted to fit any timeframe. Individual modules can be stand-alone convention breakout sessions.*

### SAMPLE #3: Enthusiastic Cooperation

This program helps participants use both their words and actions to gain enthusiastic cooperation from others. This workshop is a **HIGH-ENERGY** program that adds fun and energy to your office!

- *What makes a Good Team?*
- 7 Ways to Gain Enthusiastic Cooperation
- A 3-Step Process that Helps Persuade Others Using Just Words
- Getting into Action: How Enthusiasm is Contagious and Increases Productivity

### SAMPLE #4: Build Confident Leaders

This workshop works best at the conclusion of the series but can be used as a stand-alone program. After trust is created, conflicts reduced, and we cooperate with each other, this program builds the next generation of leaders.

- *What Makes a Good Team?*
- 7 Ways to Build Strong Leaders
- Motivating and Inspiring Others
- Anchoring Positive Behavior
