

# Amazing Builders Custom Charity Activity

## BUILD TEAM SPIRIT ONE DONATION AT A TIME CUSTOMIZE YOUR CHARITY TEAM BUILDING EXPERIENCE

After conducting thousands of charity team-building activities over the last couple of decades, we came up with the idea for aMAZEing Builders. We figured out that, with the right activities, we can customize a charity team activity for any item that a group wants to donate.

This charity team activity can be a cost-effective alternative to Build-A-Bike® or The Ace Race®. Your team gets a similar high-energy activity but with a potentially lower cost for the donated items.

### Standard Structure and Options

- **Icebreaker:** A fun way for the facilitator to build rapport with the group and divide them into teams.
- **Warm-Up Activity:** We divide the group into smaller teams and compete for a headstart.
- **aMAZEing Builders:** Teams must communicate effectively to acquire each donated item.
- **Presentation to Charity:** A few emotional words from the charity representative.

This event is highly customizable for different group sizes and team development results.

*"Amazing Builders was fun-filled and engaging for our teams! I highly recommend!"*
