

PUZZLE PAST LOCKS TO INHERIT RICHES IT TAKES TEAMWORK TO SOLVE UNCLE ROLAND'S MYSTERY

My Rich Uncle is a fun and challenging escape room team-building program. Your rich Uncle, Roland N. Cashe, was very eccentric and estranged from the family. Before he passed away, he sold all of his property and locked the proceeds in his briefcase. He wanted to make sure that his fortune went to the heir who knew him best.

All you have to do to claim the fortune is to prove that you are the true heir by unlocking the briefcase.
