

Rescue Bear® Teddy Bear Team Building

CHARITY TEAM ACTIVITY TO THE RESCUE SKILL DEVELOPMENT WITH A SIDE OF SOCIAL RESPONSIBILITY

This Teddy Bear building activity is both a team-building event and a leadership development workshop. The games help your group identify the strengths of their coworkers, and they have a lot of fun in the process.

The training is subtle, though. Groups learn that every team member brings valuable skills to the table. This charity challenge ends when each animal is stuffed to huggable perfection!

Standard Structure and Options

- **Icebreaker:** A fun way for the facilitator to build rapport with the group and divide them into teams.
- **Warm-Up Activity:** We divide the group into smaller teams by personality strengths.
- **The Rescue Begins:** Teams must collaborate to solve challenges to earn each stuffed animal piece.
- **Presentation to Charity:** A few emotional words from the charity representative.

This event shows how the strengths of each member make the team more effective.
